### **San Bernardino Woman Arrested for Worker's Compensation Fraud**

San Bernardino, CA – On June 16, 2011, Investigators from the San Bernardino County District Attorney's Office Worker's Compensation Fraud Unit arrested Heather Chandler, 30, of San Bernardino, for worker's compensation insurance fraud violations.

Chandler was charged with three (3) felony counts of Insurance Code 1871.4(a)(1).

An investigation revealed that Chandler, while employed by Med-Legal, Inc., DBA Scan Files in Rancho Cucamonga, filed a worker's compensation claim that was inconsistent with statements she made to medical doctors.

The charges were filed on April 7, 2011, and a warrant for Chandler's arrest was issued on April 18, 2011.

On June 16, 2011, Chandler surrendered herself to the custody of a District Attorney Senior Investigator, and was transported and booked into the West Valley Detention Center. Bail was set at \$75,000.
